

Urban porcelain tiles have a discreetly shaded tone to its surface adding to the natural look of the range. Created from the evolution of metropolitan style, generated from the rediscovery of basic materials that make up the urban fabric. The interplay between different surfaces such as cement, wood, metal, ceramic and majolica results in something new and wonderful with a natural and contemporary look. Available in a 60x60 cm format.

Cement 60x60 cm

Concrete 60x60 cm

Portland 60x60 cm
